

Useful Information

This document contains some brief information and screen shots to assist in your exploration of the Lodge Family Trees.

It is essential that Javascript is enabled on your computer for this application to function. If in doubt, refer to your browser help system.

It should be noted that many of the family tree charts contain significant detail but have been designed to be printed on home printers. If, however, you prefer a larger copy, there are many print shops that can easily read the PDF files produced by the application and would be able to assist in printing these on larger format paper.

Note: The screen shots shown in this document were produced using the Microsoft Edge browser and Adobe Acrobat Reader DC using a monitor with a resolution of 1920 x 1080 pixels.

The main screen of the application is shown below. Enter the Lodge Number of interest and click on the Submit button. The Enter or Return keys on the keyboard have no effect.

The screenshot shows a web browser window with the title "Lodge Family Tree Chart". The address bar shows a file path: "file:///C:/Users/John/Documents/Xref_for_Web/Website%20Transfer%20Area/index.html". The browser's bookmark bar includes "BBC - History - British", "Free Hotmail", "Hotmail", "HTML Reference", "CSS Tutorial", "JavaScript Tutorial", "JSLint, The JavaScript", "The W3C Markup Val", "Lodge Family Tree Ch", "Porchway", "Provincial Grand Lodg", "The Library and Muse", "BBC iPlayer - Comedy", and "Porchway Logon".

The main content area has a dark blue background with yellow text. The title is "Lodge Family Tree Charts" with the subtitle "Welcome to Lodge Family Tree Charts on the Web".

There are two main columns of text:

- Features:**
 - On-Screen Family Tree Chart
 - Downloadable PDF file containing:
 - Family Tree Chart
 - Warrant and Consecration Dates inc. Sources
 - Lodges nominating a Grand Steward
 - Hall Stone Lodges
 - Pre-1832 Lodge Numbering (where applicable)
 - New!** Attached Chapter details included
 - Updated following every Quarterly Communications
 - A [List of Database Revisions](#) is available

Between the columns is a "Free Adobe Reader" advertisement for "Database version 93 Released 13/05/2018".

- Requirements:**
 - Minimum Screen Resolution of 1024 x 768
 - Javascript must be enabled
- Notes:**
 - The Grand Stewards Lodge does not have a number. In order to access the Lodge, enter a Lodge Number of 0.
 - Lodges shown in yellow text are still on the register of the United Grand Lodge of England. Those shown in red text have been removed from the register.

At the bottom, there is a form with the text "Enter a Lodge Number from 0 to 9961 --" followed by a text input field and a "Submit" button. Below the form is the text "Application developed and data compiled by W. Bro. J.G. Amos, The Earl of Chester Lodge No. 3230".

Four callout boxes provide additional information:

- Left Callout:** "A full list of database revisions is available for review by following this link. Latest revisions are always shown first." (points to the "List of Database Revisions" link in the Features section)
- Middle-Left Callout:** "If you do not have Acrobat Reader, you can download and install a copy from the Adobe site for free. Each chart has a button enabling you to access this free software, which you only have to do once." (points to the "Free Adobe Reader" advertisement)

- Right Callout:** "Enter the Lodge number you are looking for, then click on Submit." (points to the "Submit" button)

In general, the requested Lodge will only occur on one Chart – Go to Page 4. Sometimes the Lodge occurs on two or more charts and a further selection has to be made, as shown in this screenshot.

The screenshot shows a web browser window with the URL `file:///C:/Users/John/Documents/Xref_for_Web/Website%20Transfer%20Area/index.html`. The page title is "Lodge Family Tree Charts" and the subtitle is "Welcome to Lodge Family Tree Charts on the Web".

The page content includes:

A yellow callout box with an arrow pointing to the dropdown menu contains the text: "The Lodge you have requested appears on more than one chart. You must now select one chart which you wish to view. The selected chart will be highlighted and you should then click the 'Submit selection' button."

At the bottom of the page, it says: "Application developed and data compiled by W. Bro. J.G. Amos, The Earl Amherst Lodge."

The Lodge Family Tree Chart for the requested Lodge will now be displayed in another window, as follows:

Having selected to view the PDF file from the previous screen, there are two key options available, namely Zoom and Search.

In this brief document, it is not possible to describe exactly where you will find these options as each browser type (Internet Explorer, Microsoft Edge, Firefox, Chrome, Safari, Opera etc.) handles the files in a different way. This is also true between the various releases of any of the above browsers but is probably more notably marked in Internet Explorer and Microsoft Edge.

The following pages show some examples of where these can be found on the current Microsoft Edge / Adobe Acrobat combination (Windows 10 / Microsoft Edge / Integrated Adobe Reader RT).
